## DRC8060N

DVD Recorder

### Features

### Description

DVD+R / DVD+RW Recorder

Record from your TV, camcorder, or other video device, using DVD+R or DVD+RW Discs.

HDMI™ w/ HD Upconversion

A High Definition Multimedia Interface (HDMI™) output that connects the DVD player to your HDMI™ equipped television for stunning images from DVD.

Commercial->Advance®

Automatically skips commercials during playback of recorded TV programs.

DV-Input with DV CAM Control

High quality digital connection for transferring your DV camcorder home videos to disc. Includes camcorder control.

DivX® Certified

Playsback DivX® 5,4,3 and DivX® VOD video content in compliance with DivX® certified technical requirements.

Front USB Input

Connect a compatible flash card reader, portable digital audio player or digital camera & play music or view photos on your TV set.

Disc Library w/ Live Preview

Stores a database of titles (up to 400) that the user has recorded with his/her unit. Making it easy to access previously recorded programs.

# DRC8060N
